We call attention of all having relations or friends in the army to the fact that Hoofland's German litters will cure nine-tenths of the diseases induced by exposures and privations incident to eamp life. In the lists published almost daily in the newspapers on the arrival of the sick it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Ritters. Diseases resulting from disorders of the digestive organs are specifly removed. We have no hestiation in stating that if these Bitters were freely used among our soldiers hundreds of lives might be saved that otherwise would be lost.

We call putteniar attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life to use his own
